
RITCHIE BLACKMORE'S
RAINBOW RISING

COZY POWELL · RITCHIE BLACKMORE · JIMMY BAIN
TONY CAREY & RONNY JAMES DIO

'Rainbow Rising' is thermo-nuclear rock 'n' roll...
Playing the album at home, the remark being bandied about the most of all was, "With a few exceptions, this is better than anything Blackmore ever did with Deep Purple."
I tend to agree, and it's odds-on that you will, too.
